I hereby apply for an entry clearance to the United Kingdom. The information I have given is complete and true to the best of my knowledge. I also declare that the photograph submitted with this form is a true likeness of myself. I confirm that if, before this application is decided, there is a material change in my circumstances or new information relevant to this application becomes available, I will inform the United Kingdom diplomatic Mission handling my application.

I am aware that it is an offence under the Immigration Act 1971, as amended by the Nationality Immigration and Asylum Act 2002, to make a statement or representation to a person acting in execution of the Act which the maker knows to be false or does not believe to be true, or to obtain or seek to obtain leave to enter in the United Kingdom by means which include deception, using a false document, making false representation, whether or not to the holder's knowledge, or omitting a material fact. I understand that documents provided in support of this application will be checked for authenticity and should I use a false document, my details and the document may be passed to law enforcement agencies in my country.

I understand that I may be required to provide a record of my fingerprints and a photograph of my face ("biometric data") as part of my application. If I refuse to do so, my application may be treated as invalid and, if so, will not be considered further. (See Statutory Instrument 2006 No 1743 - The Immigration (Provision of Physical Data) Regulations 2006, Regulation 7(1)).

I understand that UK entry clearance applications may be handled by British Missions in other locations, including outside the country in which I have applied for entry clearance and that this may involve the transferring of my application and supporting documents to and from another Mission. I understand that the UK Border Agency will be responsible for transferring my application and supporting documents safely. I understand in these circumstances my application will still be handled in line with UKBA published customer service standards.

I understand that all information provided by me will be processed by the UK Border Agency in accordance with the Data Protection Act 1998. I am aware that the UK Border Agency is the data controller in relation to the information provided by me in this application form. I am aware that the information I provide, including biometric data, will be treated in confidence, but it may be disclosed to other government departments, agencies, local authorities, foreign governments, and other bodies, to enable the UK Border Agency or those bodies to perform their functions. Any disclosures will be in accordance with the Data Protection Act 1998. I also understand that the information provided by me may also be used for staff training purposes.

I understand that UK Border Agency may check any document or documents that I have submitted with a third party. No points will be awarded for documents which the UK Border Agency has attempted but been unable to verify even if the UK Border Agency cannot prove that they are not genuine.

I declare that the information given on this form is correct to the best of my knowledge and belief and I also consent the processing of information provided by me by the UK Border Agency.
